TO WHOM IT MAY CONCERN

RE ; Dennis Nisbet, Transport and Marine Ltd

I have known Dennis for approximately 10 years mainly in regards to various marine matters on a contract basis managing various projects.

More recently in 2010 Dennis and his crew were the successful applicants for operating the interim ferry service in Tonga on the MV Ajang Subuh ( now Ajang Sincere ). I was Project Management Support for Tonga. This including mobilizing and demobilizing the vessel from Miri, Malaysia to and from Tonga. This project ended late last year.

Through out his contract period I found Dennis and his crew to be very motivated and a very "hands on" operation demonstrating detailed knowledge and experience working in the South Pacific . His involvement was intrinsic in the successful outcome of the project.

I have no reservations in recommending Dennis Nisbet , Transport and Marine Ltd to any party who may wish to engage him.

Yours faithfully,

Steve Young

Director
